PROJECT SUMMARY

Located on E St John St between N 15th St and N 17th St in San Jose, East Santa Clara Street Master Plan - Phase II project consists of 3 publicly funded developments – a 7-story 100% affordable larger-family housing, a 5-story 100% affordable senior housing, and affordable for-sale townhomes. Situated across multiple parcels totaling approximately 2.78 acres, the project is within the East Santa Clara Street Urban Village Plan. Upon completion, the project will deliver total 213 units of affordable housing units.

The large-family apartments will consist of 113 affordable housing units, including 1 on-site manager's unit. Also provided will be a podium-level courtyard space, laundry rooms, and approximately 8,277 SF of amenity space. 115 parking spaces will be provided with parking structure at ground level, second level, and semi-subterranean level.

The senior apartments will consist of 64 affordable housing units, including 1 one-site manager's unit. Also provided will be a podium-level courtyard space, laundry rooms, an on-grade plaza fronting E St John St, and approximately 10,449 SF of amenity space, including adaptive reuse of the existing "Building 800". 33 parking spaces will be provided with parking structure at ground level.

The affordable for-sale townhomes will consist of 36 affordable townhome units, including 36 resident parking spaces and 6 guest parking spaces. Paseo on site will provide pedestrian walkway as well as outdoor amenity use.
